

The SYNERGY is a great all-around rope for sport or trad, short or multi-pitch routes. It is a standard kernmantle design with a thicker sheath for exceptional abrasion resistance. It's great for single rope use, is lightweight for longer hike-in access to amazing routes and has a substantial but agile feel that's noticed whether you're leading or belaying.

Diameter: 9.9 mm (25/64")
Weight: 62.6 g/m
Falls: 7
Impact Force: 7.9 kN
Dynamic Elongation: 36%
Static Elongation: 9.5%

60 m (197 ft)	Standard	Azureus DR099JG060S
70 m (230 ft)	Standard	DR099JG070S

A large, empty rectangular box with a thin black border, intended for handwritten notes.
